Dear Tim,

On behalf of the Nashville Area Chamber, I want to say **congratulations** to you and your team for being chosen as a 2008 Nashville Area Chamber Future 50 company. In its seventeenth year, the Future 50 honors an elite group of fast growing and entrepreneurial companies in the region.

Enclosed is your winner's packet. Please review and complete the enclosed forms to ensure that your company is accurately recognized during the dinner. The packet includes the following items that will need your immediate attention: discounted registration form for the dinner, company description form, and the revenue information request form for the Tennessean(optional).

I would also like to bring your attention to an award winner's benefit for this year. The Vanderbilt Owen Graduate School of Management is awarding Future 50 winners an opportunity for their young professionals to apply for two spots in their Executive Development Institute programs. The Chamber will send out an email with more information on this opportunity in the next two weeks, but a flyer is in your packet outlining the different programs of the Institute.

The Future 50 celebration will be held **Thursday, Sept. 18, 2008**, at the Renaissance Nashville Hotel. A cash bar and networking reception will begin at 5:30 p.m., with the dinner and the program following at 6:30 p.m.

We encourage you to share this evening with your staff, your clients, vendors and others who have contributed to your success. You will receive an official event invitation in the mail, or feel free to complete the enclosed registration form now to ensure that you are ahead of the line for great seating.

If you have questions about the Future 50 program or dinner, please contact Marissa Benchea, Director of Small Business Programs, at 615.743.3114 or mbenchea@nashvillechamber.com.

Again, congratulations! We look forward to celebrating with you and your guests at the 2008 Future 50 Awards dinner.

Sincerely,
